## Core Competencies:

Appenx supplies products and services to help people navigate their way from the parking lot to the most remote area of a facility.

Cost effective products and services include:

- Cubicle/Workstation Signs
- Room Identification Signs
- ADA Regulatory Signs
- Directory/Wayfinding Signs
- Department Signs
- Dimensional Logos/Letters
- Evacuation Map Holders/Frames
- Exterior Post and Panel Signs
- Wayfinding Studies
- Installation

Appenx architectural signage provide a visual road-map for visitors through the most complex building layouts. The many and varied sign types offered by Appenx provide wayfinding/identification solutions with product that is both functional and stylish.

## Past Performance:

Army Corps of Engineers  
Central Intelligence Agency  
Department of Homeland Security  
Department of Veterans Affairs  
Environmental Protection Agency  
Federal Aviation Administration  
Federal Energy Regulatory Commission  
Internal Revenue Service  
National Weather Service  
Nuclear Regulatory Commission  
Peace Corps  
Small Business Administration

# Capability Statement

Schedule  
Contract # GS-03F-0192V

## Differentiators:

Outsert® Signage message surfaces have second surface/backside color, which will not peel, crack, wear or fade for the life of the product.

Outsert® Modular signs; changes are a matter of replacing a part, not the entire sign. Additions to installed signs are seamless and look unified.

Outsert® Modular Embedded Tactile Tiles are warrantied for the life of the facility.

Net price point is less than competitive product.

Appenx can produce products that look like any existing product currently installed.

Appenx signs are shipped fully assembled and ready to install.

## Company Data:

Appenx, Inc was formed in 1986 as an independent spin-off of Herman Miller, a Fortune 500 Company. We have one facility in Holland, Michigan.
